Hi Caroline. Hope you're well. I thought I'd let you know that my office is trying to coordinate a meeting with you for today. It won't be a long call and hoping we can find a time that works
Mon, Feb 7, 3:50 PM
Hi Omar. Thank you for reaching out. I have read your comments from your press conference so am aware of your position.
Our deputies were meeting earlier so I am expecting an update on their conversation later today.
Thanks so much. Anything I can do, please let me know

The Ambassador bridge in Windsor is blocked. I spoke with automakers an hr ago and they're really concerned about the blockades impact on their industry.
